

Workmen's Registration Document

Heimbach GmbH
An Gut Nazareth 73, 52353 Düren
(Delivery Address: Olefstrasse 57-59 (Tor 3) RF72+QX Düren)

This workmen's registration document must be filled in **before commencement of work** and sent to the purchasing department of Heimbach GmbH:

Fax-No.: 0 24 21/802-716

or

Email to: einkauf@heimbach.com

Important Information:

- The third party company signs in daily at reception.
(Opening times: 7:30 h – 16:30 h).
- Outside opening hours the third party employee goes directly to the contact/client and signs in there. As soon as reception is open the third party company employee must sign in there properly and in person.
- Reception checks as to whether the **workmen's registration document** and the **proof of safety instructions** and the **pre-registration** having been carried out are present (see page 3/3). **Only then will access to the premises be permitted!**
- The issued third party company ID must be worn and displayed at all times.
- Reception informs the Heimbach procurer (project manager/coordinator) of the arrival of the third party company. The procurer then collects him/her from reception.
- The assigned assembly point No: 5 (opposite employee parking lot) for emergencies as well as the smokers' area are shown to the third party company by the Heimbach procurer. In addition he/she clarifies possible particularities at the workplace.

The following fields must be filled in by the third party company:
